TERM OF CONTRACT

This AGREEMENT entered into this 1st day of June, 2006, for Cook, DuPage, Lake, Will, Grundy, Kendall, Kane, McHenry and Boone Counties by and between the ILLINOIS ENVIRONMENTAL CONTRACTORS ASSOCIATION, INC. ("Association" or "IECA"), and all other Employers who sign a memorandum of Agreement assenting to be bound by this Agreement and CONSTRUCTION AND GENERAL LABORERS' DISTRICT COUNCIL OF CHICAGO AND VICINITY and its Local 225, hereinafter referred to as the UNION, shall remain in full force and effect until 11:59 p.m. May 31, 2010 and thereafter as modified through collective bargaining.

If either party wishes to modify this Agreement, it shall serve written notice by certified or registered mail, upon the other party not less than sixty days nor more than ninety days prior to May 31, 2010 of its intent to begin negotiations for a new Agreement. In the absence of the service of such notice, this Agreement shall automatically renew itself, together with all amendments and improvements as negotiated after said initial expiration date, by and between the parties in area-wide bargaining with the Midwest Regional Bargaining Association for the life of the newly negotiated contract.

In the absence of service of notice upon the Union by an Employer who is not a member of the IECA and who is a signator to a Memorandum assenting to be bound to this Agreement, said Employer shall automatically be bound to the terms of the newly negotiated or renewed Illinois Environmental Contractors Association, Inc. for the life of that contract.

Article 1 EQUAL OPPORTUNITY

The parties agree that Employees will not be discriminated against because of race, creed, religion, color, age, sex or national origin.

Article 2 PRE-BID/PRE-JOB CONFERENCE

Employer and Representatives of the Union are encouraged to hold a pre-bid-pre-job conference so that the start and continuation of work may progress without interruption. It shall be the purpose of the pre-bid/pre-job conference for the Employer and the Union to agree to such matters as the length of the job workweek and any shifts, subject to the provisions of Article 4; the number of men employed, the method of referral, appointment of a steward, hours in containment, the check-off of union dues and/or initiation fees, the applicable wage rates and fringe benefits contributions in accordance with the contract, and any other matters deemed necessary.

Article 3 HOURS AND OVERTIME

Paragraph 1. When one shift is used, eight (8) hours of work per day, from Monday through Friday, shall constitute the normal work day and straight time shall be paid. The Employer may also schedule four (4) consecutive days of ten (10) hours of work per day at straight time, between Monday and Friday, with prior written notice to the Union, and provided no violation of State or Federal law occurs.

Paragraph 2. Starting times may be adjusted by the Employer without notice to or approval by the Union.

Paragraph 3. At the option of the Employer, the starting time for the day, or the first shift can be flexible. It is the Employer's responsibility to inform the Employee of any change in starting time prior to quitting time the day before such change is to be effective. The first eight (8) hours' work shall be paid at straight time, the next 2½ hours at time and one-half and double time thereafter.

Paragraph 4. Overtime rates on single shift work starting at 12:01 a.m. Saturday, shall be time and one-half for the first eight (8) hours of work, and thereafter double time shall be paid until 8:00 a.m. Monday; except that where an established shift (whether 8 or 10 hours) begins after 4:00 p.m. Friday and continues into Saturday, the first eight (8) hours shall be paid at straight time, the next two hours paid at time and one-half, and double time thereafter. All work performed on Sundays and holidays shall be paid at double time. Where the Employer's employees work four (4) consecutive days of ten (10) hours of work per day, the first ten (10) hours shall be paid at straight time, the next half (½) hour shall be paid at time and one-half, and double time thereafter.

Paragraph 5. Regulatory Compliance. Due to down time for regulatory compliance (limited to clean waiting periods and air monitoring/testing), ten (10) Saturdays per year may be used as a make-up day to be paid at straight time for the first eight (8) hours of work and double time thereafter, provided the Employer notifies and registers in writing with the Union at least 48 hours in advance. An Employer may provide less than 48 hours' advance notice where emergencies render timely notice impossible, but the Employer bears the burden of proof to establish such emergency. Make-up days for regulatory compliance shall not apply to employees working four (4) consecutive ten (10) hour workweeks.

The Employer's failure to register with the Union shall require premium pay for all Saturday work and the forfeiture of all future make-up days for the life of the Saturday agreement.

Paragraph 6. Breaks. Whether work is performed inside or outside of containment, employees shall receive one paid 15-minute break in the morning, a half hour unpaid lunch break

and one paid 15-minute break in the afternoon. The contractor may request permission of the Union to combine paid breaks and unpaid lunch, giving the employee a one-hour meal period, of which thirty (30) minutes shall be paid.

Paragraph 7. Containment Work. If an employee works in containment without taking lunch or the paid breaks, the employee shall be paid eight (8) hours' pay for six and one-half (6.5) hours' work and shall be relieved of any further work duty.

No hours for work performed in containment will be permitted if found to violate any state or federal statutes, regulations or guidelines.

Paragraph 8. Paid break time shall not be counted for purposes of calculating overtime, provided that such break time is not worked; lunch will be taken between the fourth (4th) and fifth (5th) hours of the work day. For example, an employee who commences working at 7:00 a.m. and who receives two 15-minute paid breaks (whether individually, or combined with the unpaid one-half hour lunch break) may be required to perform up to eight (8) hours of work and shall be paid eight and one-half hours pay at straight time for such eight (8) hours of work and one-half hour of paid break time. In this example, the employee's meal period will occur between the hours of 11:00 a.m. and noon, and the employee's work day will end at 4:00 p.m.

Paragraph 9. Employees scheduled to work four (4) consecutive ten (10) hour work days who work a minimum of five (5) hours on any work day shall be guaranteed ten (10) hours of work or pay at straight time on that day.

Paragraph 10. Prevailing Wage Work. Nothing in this Agreement is intended to, nor shall it be applied, so as to reduce wages below the minimums required under state and federal prevailing wage laws. In the event of a conflict, the established prevailing wages shall supersede the rates set forth in this Agreement.

Article 4 MULTIPLE SHIFTS

Paragraph 1. When it is necessary that the contractor use more than one shift for a period of three (3) or more consecutive days, the Union shall be notified twenty-four (24) hours in advance of the effective date of the starting of such multiple shift operations.

Paragraph 2. On Multiple Shift arrangements, the work week shall start at 12 o'clock midnight Sunday, and continue until 11:59 p.m. Friday. In no event shall regular working hours of different shifts overlap.

Paragraph 3. When three (3) eight (8) hours shifts are used, the employees shall receive eight (8) hours' pay for seven and one-half (7½) hours worked; one-half paid hour being allowed

for eating.

Paragraph 4. When two twelve (12) hour shifts are used, a paid eating period of one-half hour shall be allowed each shift and all time in excess of eight (8) hours worked shall be paid at the regular overtime rates, that is to say, and two and one-half (2½) hours immediately following the first eight (8) hours of work shall be paid for at the rate of time and one-half, and double time thereafter.

Paragraph 5. When two eight (8) hour or two ten (10) hour shifts are used, an eating period of one-half (½) hour shall be allowed, but not paid for, but all time in excess of eight (8) hours worked shall be paid at the regular overtime rates, as set forth in Paragraph 4 of this Article.

Paragraph 6. On Saturday, other than single time shift, shift work shall start at 12:01 a.m. and the first eight (8) hours of work each shift shall be paid for at the rate of time and one-half, and thereafter double time shall be paid; however, under no conditions shall more than eight (8) hours be worked at the rate of time and one-half on any one shift.

Article 5

SUNDAYS, HOLIDAYS AND ELECTION DAYS

Paragraph 1. All work performed on Sundays or on the following holidays: New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day, or on Mondays when such holidays are celebrated, shall be paid for at the double time rate. There shall be no work performed on Labor Day, excepting in case of dire emergency, and with the written consent of the President or Business Manager of the District Council.

Paragraph 2. On Election Days, the individual employed in this trade shall be allowed not to exceed two (2) hours' time without pay, for the purpose of voting, provided that the worker on the job has given notice to the Employer or his agent and has made arrangements no less than twenty-four (24) hours in advance, to receive such time off.

Paragraph 3. When a holiday falls on Monday through Friday, make-up day on Saturday shall be paid at time and one-half for the first eight (8) hours worked and double time thereafter.

Paragraph 4. In weeks that have designated holidays that fall during the regular workweek, but not more often than six (6) times per year, the Employer may schedule four (4) consecutive ten (10) hour days of work at straight time. The Union and the Employees must be informed and the Union must give permission to the Employer in writing.

Article 6

UNION SECURITY

All new Employees shall be required to join the Union after the expiration of seven (7) days of employment or seven (7) days after the execution date of this Agreement, whichever is later, and shall remain members of the Union in good standing as a condition of continued employment.

Good standing shall mean payment of the initiation fees and both working and non-working dues uniformly required as a condition of acquiring or retaining membership in a Local Union.

Employees covered by this Agreement at the time it is signed, and who are members of the Union at that time, shall be required as a condition of continued employment, to continue membership in the Union for the duration of this Agreement.

Employees covered by this Agreement at the time it has been signed, and who are not members of the Union at that time shall be required to join the Union seven (7) days after the date of execution of this Agreement and remain members of the Union in good standing for the duration of this Agreement.

Article 7

CHECK-OFF AND DUES DEDUCTIONS

Paragraph 1. Employers also agree to deduct from the net earnings payable to an Employee covered by this Agreement, initiation fees and quarterly Union dues insofar as permitted by State and Federal laws upon receipt and in accordance with a duly executed authorization form from the Employee. Said authorization form shall not be revocable for a period of more than one (1) year or prior to the termination date of this Agreement, whichever occurs sooner.

Paragraph 2. All Employers covered by this Agreement shall deduct from the wages of Employees covered by said contract, working dues approved by the Union for each hour worked and shall remit monthly to the Union office the sums so deducted, together with an accurate list of Employees from whose wages said dues were deducted and the amounts applicable to each Employee, not later than the 10th day of the month next following the month for which said deductions were made.

Paragraph 3. It is the intention of the parties that such deductions shall comply with the requirements of Section 302(c)(4) of the Labor Management Relations Act of 1947, as amended, and that such deductions be made only pursuant to written assignments from each Employee on whose account such deductions are made, which assignment shall not be revocable for a period

of more than one (1) year, or prior to the termination date of this Agreement, whichever occurs sooner.

Paragraph 4. The Union agrees that it will indemnify and hold harmless the Employer from any and all claims, suits, causes of action, or otherwise, as regards the creation and administration of the dues check-off established by this Article, and such indemnity and agreement to hold harmless shall include the payment of costs and attorneys' fees on behalf of the beneficiaries of such indemnity.

Paragraph 5. Should the Employer fail to remit dues to the Union as required under this Agreement, the Employer shall be liable for and pay all costs of collection, including audit expenses and attorney fees and costs. Employers who fail to timely remit dues shall also be assessed an additional ten percent (10%) liquidated damages on the unpaid amounts.

Article 8 SUBCONTRACTING

Employers covered by this Agreement shall retain all work traditionally performed by Laborers. Employer agrees that he shall not subcontract any work traditionally performed at a construction site by any persons other than those covered by a collective bargaining agreement with the Laborers District Council of Chicago and Vicinity. Any Employer who contracts out or sublets any of the work coming within the jurisdiction of the Union shall assume the obligations of any subcontractor for prompt payment of employees' wages or fringe benefits including reasonable attorneys fees incurred in enforcing the provisions hereof. Employer's violation of any provision of this Paragraph will give the Union the right to take any lawful action, including all remedies at law or equity.

If an Employer, bound to this Agreement, contracts or subcontracts any work covered by this Agreement to be done at the jobsite of the construction, alteration, painting or repair of a building, structure or other work to any person or proprietor who is not signatory to this Agreement, the Employer shall require such subcontractor to be bound by all the provisions of this Agreement, or the Employer shall maintain daily records of the subcontractor's or the subcontractor's Employees jobsite hours and be liable for payments to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity, the Laborers' Pension Fund, and the Construction and General Laborers' District Council of Chicago and Vicinity Joint Apprentice and Training Trust Fund.

Article 9 WAGES

Paragraph 1. The rates of wages exclusive of fringe benefits to be paid in this trade for the period June 1, 2006 to and including May 31, 2010, shall be as set forth below for the respective following classification of asbestos laborer as defined herein: The wage rates include a total economic increase of \$2.90 per hour effective June 1, 2006 to May 31, 2007 to be allocated between wages and fringe benefits by the Union in its sole discretion; June 1, 2007 to May 31, 2008, \$3.00 per hour total economic increase to be allocated between wages, fringe benefits and other funds by the Union in its sole discretion; June 1, 2008 to May 31, 2009, \$3.00 per hour total economic increase to be allocated between wages and fringe benefits by the Union in its sole discretion; June 1, 2009 to May 31, 2010, \$3.10 per hour total economic increase to be allocated between wages, fringe benefits and other funds by the Union in its sole discretion. The foregoing allocations may include allocations to LECET and LDC/LMCC.

Containment Premium. If an employee works in containment without taking lunch or the paid breaks, the employee shall be paid eight (8) hours' pay for six and one-half (6.5) hours' work and shall be relieved of any further work duty.

Asbestos Laborer Foreman shall receive a minimum of Fifty (\$.50) Cents wage premium over and above top Laborers' Scale under his supervision, except that in those cases for those Employers who have had a practice on or before July 15, 1991 of paying one (\$1.00) Dollar to its Foremen as a premium over and above top Laborers' Scale, then such Employer shall continue to pay One (\$1.00) Dollar to its Foremen.

Dosimeter Use A premium of One (\$1.00) Dollar per hour shall be paid to any Laborer required to work with a dosimeter used for monitoring nuclear exposure.

Paragraph 2. Laborers Training Fund

The Training Fund contributions shall be seventeen cents (\$ 0.17) per hour for each hour worked from June 1, 2006 to May 31, 2007, for all employees covered under this Agreement to the Construction and General Laborers District Council of Chicago and Vicinity Training Fund payable to the Training Fund or a designated appointee at the end of each month and such additional sums as the Union may designate in its sole discretion from its total economic package on June 1 of each year covered under this Agreement. The terms of the trust establishing the Fund are incorporated by reference herein and all terms regarding auditing, assessments, non-payments and grace periods as set out in the Collective Bargaining Agreement regarding payment of Welfare and Pension Fund contributions shall apply as if fully set forth herein for the Construction and General Laborers District Council of Chicago and Vicinity Training Fund.

Paragraph 3. Welfare: Beginning the period from June 1, 2006 to May 31, 2007, the Employer agrees to make Health and Welfare contributions of \$7.46 per hour for each hour

worked by all Employees covered by this Agreement in addition to the wages herein stipulated. This \$7.46 per hour shall be paid to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity or a designated appointee at the end of each month.

For the periods June 1, 2007 to May 31, 2008; June 1, 2008 to May 31, 2009; June 1, 2009 to May 31, 2010; that on May 1, if able but not later than June 1, the Union at its sole discretion, shall determine the amount of additional contributions to Welfare and/or Pension and Training to be allocated from the economic package for that year. (See Article 9, Paragraph 1.)

Paragraph 4. Pension: Beginning June 1, 2004, the Employer agrees to make a pension contribution of \$4.84 per hour for each hour worked by all Employees covered by this Agreement in addition to the wages and welfare payments herein stipulated. This \$4.84 per hour shall be paid to the Laborers' Pension Fund or to a designated appointee at the end of each month.

For the periods June 1, 2007 to May 31, 2008; June 1, 2008 to May 31, 2009; June 1, 2009 to May 31, 2010; that on May 1, if able but not later than June 1, the Union at its sole discretion, shall determine the amount of additional contributions to Welfare and/or Pension and Training to be allocated from the economic package for that year. (See Article 9, Paragraph 1.)

The parties agree that the Employer shall make separate checks for contributions to employee fringe benefit accounts and dues deductions, administered by the Trustees on behalf of each employee. It is further agreed that such contribution shall be accompanied by a breakdown of payment according to appropriate benefits.

The Trustees of the Welfare Fund and the Trustees of the Pension Fund shall, among other things, have authority to determine the type and amount of benefits to be provided in each of said funds, the eligibility rules governing entitlement to benefits, and whether and to what extent benefits are to be provided for covered Employees.

The failure of the Employer to contribute to the said Welfare or Pension Funds when the same is established, as provided herein, shall for the purposes of the remedies the Union may pursue, be deemed the same as the failure of the Employer to pay wages, and the Union shall be permitted to remove workers whom they represent for non-payment of such contributions, anything to the contrary in this Agreement notwithstanding.

A grace period of thirty (30) days shall be granted for Employers to submit reports and contributions as provided. Said reports and contributions not received during this grace period shall be assessed liquidated damages amounting to ten percent (10%) of the amount of the contributions which are owed. The Employer acknowledges that the liquidated damages shall be used to defer administrative costs arising by said delinquency and acknowledges the costs to be actual and substantial, though difficult to ascertain. However, the Employer acknowledges these costs to be at a minimum of ten percent (10%), waiving the necessity of any additional proof

thereof. In addition, the delinquent contributions shall bear interest at a maximum legal rate of interest per annum from the due date until they are paid.

Further, in the event the Trustees refer the account to legal counsel for collection, the delinquent Employer shall be liable for reasonable attorneys' fees, and for all reasonable costs incurred in the collection process, including court fees, audit fees, etc.

Reasonable attorneys' fees shall mean: All reasonable attorneys' fees in the amounts for which the Trustees become legally bound to pay, including recovery of liquidated damages, interests, audit costs, filing fees, and any other expenses incurred by the Trustees.

The Trustees of the aforementioned Welfare and Pension Funds and the Union shall have the authority to audit the books and records of a participating Employer, either directly or through their authorized representative, whenever such examination is deemed necessary for the purpose of compliance with the provisions of this Agreement.

Each participating Employer shall make its books and records available to the Trustees for such purpose. In the event the audit discloses that the Employer, during the period of the audit, has underpaid its contributions and/or wages, the Employer shall be liable for the costs of the examination, including but not limited to, audit fees and reasonable attorneys' fees. The Trustees' authority to waive any costs shall be governed by the terms of the Trust Agreement.

Paragraph 5. Supervisors: To the extent permissible by the Internal Revenue Service or any Federal Act, and for the purposes of Paragraphs 3 and 4 of Article 9 of this Agreement only, the bargaining unit shall also include those persons in the employ of an Employer who are supervisors, as defined in the Labor Management Relations Act, as amended; and who at one time were Employee members of the bargaining unit herein on whose behalf contributions were required to be made to the trust funds described in the aforesaid Paragraph 3 and 4 of Article 9 hereof.

Paragraph 6. Appointment of Trustees to the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund. The parties agree that the Employer-appointed trustees of the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund and training and apprentice funds to which Employers are required to contribute shall be appointed solely by Employer associations that enter into collective bargaining agreements with the Union requiring contributions to such funds ("Signatory Associations"). It is further agreed that the Trust Agreements establishing such funds shall be amended to replace any Employer association that appoints a trustee and does not have a labor agreement with the Union, replacing it with a Signatory Association. The union and Signatory Associations shall meet within 30 days of the effective dates of agreements covering a majority of Fund participants to review the appointment of Employer Trustees of the funds. It is agreed that the numbers of hours contributed by Employers represented by Signatory

Associations compared to contributions by other Signatory Associations during the preceding year shall be the basis for assigning the number of trustee appointments. If such parties are unable to agree on the Signatory Associations to be responsible for appointments and the number of appointments to be made by each Signatory Association the dispute shall be submitted to expedited arbitration under Subpart D of the Policies and Procedures of the Federal Mediation and Conciliation Service.

Paragraph 7. Article III Section 2 of the trust agreements of the Health and Welfare Department of Construction and General Laborers' District Council of Chicago and Vicinity and the Laborers' Pension Fund shall be amended to include the following: "Association-appointed Trustees must be full-time employees of Contributing Employers within the Association's membership. A Contributing Employer shall be defined as an Employer that has employed an average of five (5) or more Laborers performing bargaining unit work for whom contributions have been made per month in each of the previous three (3) calendar years."

Paragraph 8. Section 415 Excess Benefit Fund. A Section 415 Excess Benefit Fund shall be established for the purpose of providing alternative benefit to any employees of the Employer who become unable to receive the entire amount of the accrued pension benefits to which they would be entitled under one or more of the pension plans sponsored by their Employer because of limitations established by Section 415 of the Internal Revenue Code. The Employer may be required and directed by the Board of Trustees of the Excess Benefit Fund to contribute a portion of its agreed-upon "pension" contribution to the Section 415 Excess Benefit Fund and shall not increase the Employer's cost beyond the amount that the Employer is obligated to contribute to the Laborers' Pension Fund and that the funding of the Section 415 Excess Benefit Fund shall be fully tax deductible to the Employer for Federal Income Tax purposes. The Employer hereby agrees that the Board of Trustees of any such Section 415 Excess Benefit Fund shall be authorized to determine each year the amount that will be contributed by the Employer and the amount to be credited to the account of any eligible retiree for payment in lieu of accrued benefits that would exceed the limits set by Section 415 of the Internal Revenue Code.

Paragraph 9. The Employer agrees to be bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers' Vacation Fund, a jointly-trusted vacation plan established for the purpose of providing income to members during their winter layoffs. Contributions to the Fund will be allocated in the Union's sole discretion from the total economic increase.

Paragraph 10. The Employer agrees to be bound by the Agreements and Declarations of Trust, as well as any amendments thereto, establishing the Chicagoland Laborers' Annuity Fund, a jointly-trusted defined contribution plan providing a supplemental retirement benefit. Contributions to the Fund will be allocated in the Union's sole discretion from the total economic increase.

Paragraph 11. Special Rules for Bonding. An employer that is owned or managed, in whole or part, by an individual who currently has or previously had in the last ten (10) years ownership or principal managerial responsibility for another contributing employer that currently is or ceased doing business when delinquent to the Funds shall be required to post for the benefit of the Funds an additional cash bond or obtain a surety bond from a Fund-approved insurer in an amount equal to twice the amount of the other contributing employer's delinquency. This amount may be adjusted by the Benefit Fund Trustees for each individual employer. This bond shall be in addition to and separate from the bond required elsewhere in this Agreement.

Paragraph 12. Out of Town Work. When Laborers who reside or work in the nine-county geographic area covered by this Agreement are asked to work at locations outside these nine counties, the Employer shall continue to report and pay benefits for all hours worked outside the nine counties. If the work performed is covered under a labor agreement with the Laborers' International Union of North America or its affiliates, the Employer shall report and pay the benefit contributions to the fringe benefit fund identified, and the contribution rates specified, under that labor agreement. If the work performed is not covered under a labor agreement with the Laborers' International Union of North America or its affiliates, then the Employer shall report and pay the benefit contributions to the fringe benefit funds identified, and the contributions rates specified, under this Agreement.

Article 10

TRAINEE/HELPER AND APPRENTICES

Paragraph 1. Trainee/Helpers. The Trainee/Helper rate shall be Sixty-six (66%) Percent of the base rate rounded up to the nearest penny plus full benefit contributions to the Laborers Health and Welfare and Pension Plans. After 800 hours of work in the industry, the rate shall be increased to eighty-five percent (85%) of the base rate rounded up to the nearest penny plus full benefit fund contributions. After 1600 hours work in the industry, the employee shall receive the full base rate plus full fringe benefit fund contributions. No present Laborer employee shall be replaced by a Trainee/Helper.

Employees with ten (10) or more Laborers will be allowed one (1) Trainee/Helper for every multiple of ten (10) Laborers per year. Any Trainee/Helper not registered shall receive the full Laborers rate. Violation of the above-stated ratios of Trainee/Helpers to Laborers will result in the Employer's forfeiture of the right to utilize Trainee/Helpers for one year.

All Health and Welfare, Pension, Industry and Trainee/Helper Fund contributions will commence immediately upon employment. Union affiliation will be required after seven (7) days of employment.

The Employer shall report monthly to the Training Fund the hours worked by each Trainee/Helper and the wages paid for such work.

Paragraph 2. Apprentice Program. In lieu of the Trainee/Helper Program provided for in Section 1, the Illinois Environmental Contractors Association, on behalf of the Employers covered under this Agreement, may elect in writing to participate in the Apprentice Program, described below. The Trainee/Helper Program and the Apprentice Program are mutually exclusive, and once the Association elects to participate in the Apprentice Program, Section 1 will be null and void, and no Employer shall be permitted thereafter to employ any Trainee/Helper.

Paragraph 3. Apprentice Committee: The Employer hereby agrees that the Joint Apprenticeship Training Committee (JATC) shall have the authority to establish rules for the apprenticeship program, including penalties for violations of the apprenticeship rules, which are incorporated herein by reference.

Paragraph 4. Apprentice Program Funding: The apprenticeship program administered by the JATC shall be self sustaining. In addition to the sums set forth in Article 9, Paragraph 2 of the Agreement, effective on the date when the Association elects to participate in the program, the Employer shall also contribute to the Training Fund an additional contribution of five cents (\$.05) per hour for each hour worked by all employees covered by this agreement, or a lesser amount as may be determined by the JATC. Effective on the date when the Association elects to participate in the program, the contribution shall be increased as determined by the JATC, but in no event shall the aggregate contributions under this paragraph 2 exceed five cents (\$.05) over the term of this Agreement.

Paragraph 5. The term of apprenticeship shall be 2,400 hours, or two years, whichever occurs later. All Health and Welfare, Pension, Training Fund, Industry Advancement and other contributions required under this Agreement will commence immediately upon employment of an apprentice. 3rd six (6) months:	80% of journeyman (base) wages
4th six (6) months:	90% of journeyman (base) wages
After 24 months:	100% of journeyman (base) wages

Paragraph 7. The ratio of journeymen to Apprentices shall be six (6) laborer journeymen to one (1) laborer apprentice on a company-wide basis, with no more than twenty percent (20%) of laborers being apprentices on any one job site of the Employer. Employers who employ a maximum of between one (1) and five (5) laborer journeymen shall be entitled to one (1) laborer apprentice, who may be assigned to job sites irrespective of the twenty percent (20%) job site maximum specified in this provision.

Paragraph 8. Referral of apprentices will be through the Local Union with jurisdiction over the job site. Employers requesting apprentices will be assigned an apprentice from the available JATC apprentice pool. The JATC can limit the number of apprentices to that which is adequate for current needs and which can be properly trained by the program. Employers may recall their laid off apprentices to work, provided that the Employer complies with the ratios set forth in Paragraph 5. All apprentices must report their hours weekly to the JATC. All apprentices will be tested for the presence of illegal substances at the time they enter the apprentice program.

If any Employer violates the provisions of this Article, it shall lose its right to employ Trainee/Helpers and Apprentices for one (1) year.

Such notice shall be in writing with a copy to the Union, at the time the seller, transferor, or lessor executes a contract or transaction as herein described. The Union shall also be advised of the exact nature of the transaction, not including financial details.

In the event the Employer fails to require the purchaser, transferee, or lessee to assume the obligations of this Agreement, the Employer (including partners thereof) shall be liable to the Union, and to the employees covered for all damages sustained as a result of such failure to require assumption of the terms of this Agreement, but shall not be liable after the purchaser, transferee, or lessee has agreed in writing to assume the obligations of this Agreement.

Article 20 ADJUSTMENT OF DISPUTES

Paragraph 1. Any dispute concerning the interpretation or application of this Agreement between an Employer and the Union shall be adjusted by the particular Employer and Union, in the first instance.

Paragraph 2. In the event that the matter is not settled, the Union may file a written grievance with the Employer, provided that the grievance is filed no later than the later of ninety (90) days after the events giving rise to the grievance or forty-five (45) days after the Union or the affected employees knew about the events giving rise to the grievance, whichever is sooner. The grievance shall be submitted to a JOINT ADJUSTMENT BOARD (hereafter the JAB) comprised of three (3) Employer representatives selected by the Illinois Environmental Contractors Association and three (3) Union representatives selected by the Construction and General Laborers District Council of Chicago and Vicinity. The JAB shall convene on a monthly basis if there are grievances pending, on a regular date mutually selected. Grievance decisions of the JAB shall be by majority vote, provided that the Employer representatives and Union representatives shall have equal voting power. If decided by majority vote, the grievance

decision and any relief determined to be appropriate shall be final and binding upon all parties. The Union will make its best efforts to resolve grievances prior to submitting them to the JAB.

In cases of wage audits, the time limits for filing grievances begins to run upon the issuance of the audit; provided, that if an initial wage audit shows delinquencies of less than \$2,500 per year of the audit, the Union may not re-audit the same Employer for wages for the same time period except with prior approval from the JAB.

Paragraph 3. In the event that the JAB is deadlocked upon the disposition of a grievance, then the Employer or the Union may refer the matter to a neutral arbitrator by so notifying the other within thirty (30) days of the deadlock. The moving party shall obtain a list of seven (7) arbitrators from the Federal Mediation and Conciliation Service, provided that all arbitrators on the list must maintain their principal office within the State of Illinois and must be members of the National Academy of Arbitrators. The parties shall alternatively strike arbitrators from the list, with the party striking first to be determined by a coin flip, until one arbitrator remains.

Paragraph 4. The decision of the arbitrator shall be final and binding upon the Employer and the Union. The arbitrator shall not be empowered to amend, alter or add to this Agreement. The arbitrator's expenses shall be paid by the Employer if the grievance is sustained in whole or in part and shall be paid by the Union if the grievance is denied.

Paragraph 5. The Union's legal fees and costs incurred in enforcing the majority decisions and awards of the JAB or an arbitrator are chargeable to, and will be paid by the party against whom the decision is rendered. Such fees and costs shall not include those in connection with the Union's unsuccessful efforts to enforce said decisions and awards.

Paragraph 6. The Union reserves its right, and it shall not be a violation of this Agreement, for the Union to strike, picket and/or withdraw its employees from any Employer who fails to pay wages or fringe benefits as required under this Agreement.

Article 21

If it is found that an employer is performing work in competition with IECA's members under an agreement whose overall terms are more favorable to the employer than those contained in this Agreement, IECA's members shall have the right to perform the work covered by this Agreement on those same more favorable terms on written notice to the Union. This requirement shall not apply to Project Labor Agreements, provided that they are not used to undermine the standards of this

Agreement. Notices required under this Article shall be provided to the person(s) designated by each party.

Article 22 UNION PROTECTION

Notwithstanding anything in this Agreement to the contrary, the employees covered by this Agreement shall not be required to work anywhere on any job site where the Union has established a picket line or withdrawn its employees in a labor dispute.

Paragraph 2. Savings Clause. Any provisions contained herein which is contrary to or held to be in violation of any State or Federal Law shall be void and of no force or effect, and this Contract shall be construed as though such void provision were not a part hereof, it being intended that the other provisions of this Contract shall not be affected thereby.

Paragraph 3. Employer's Warranty. The signatory Association represents and warrants that it is the bargaining agent of all the individual Employers who are now or hereafter become members of said signatory Association and who assign to the signatory Association full authority to negotiate and execute this Agreement.

Paragraph 4. Execution. It is expressly agreed and understood that execution of this Agreement by an authorized representative of the signatory Association shall be conclusively presumed sufficient legal execution by all individual contractors represented by the signatory Association, and that individual executions are not required for this Agreement to be binding on such Employers.

KNOW ALL PEOPLE BY THESE PRESENTS, that we _____

_____, a _____,
(name of employer) (indicate corporation, partnership, or sole proprietor)
of _____, Illinois, herein called the "Principal," and
(city)
_____, herein called the "Surety," are hereby held
(name of bonding company)

and firmly bound unto the various fringe benefit, industry, and promotion funds identified in the collective bargaining agreement between Construction and General Laborers' District Council of Chicago and Vicinity (the "Laborers' District Council") and the Illinois Environmental Contractors Association, Inc. and any successor collective bargaining agreements, all of which funds are collectively referred to as the "Funds"; unto the Laborers' District Council; unto the local unions that are affiliated with the Laborers' District Council, including but not limited to Laborers' Local 225 (the "Local Unions"); and unto all individuals employed by the Principal and represented for collective bargaining purposes by the Laborers' District Council and the Local Unions, referred to as the "Union Employees" (the Funds, the Laborers' District Council, the Local Unions, and the Union Employees are collectively referred to as the "Obligees") in the penal sum of **fifty thousand Dollars (\$50,000.00)**, for the obligations and undertakings hereinafter set forth, for the payment of which, well and truly to be made, we hereby jointly and severally bind ourselves, our successors, assigns, heirs, executors, and administrators.

Signed and sealed and dated on this _____ day of _____, 20_____.

WHEREAS, the above named Principal is employing or proposes to employ employees in a bargaining unit represented by the Laborers' District Council for the purpose of performing certain work as defined in a collective bargaining agreement between the Principal and the Laborers' District Council;

NOW, THEREFORE, the conditions of this bond are such that if the Principal shall well and faithfully pay the wages due the Union Employees with respect to the work performed by the Union Employees, the contributions due the Funds, the contributions due the Industry Education Fund, the dues due the Laborers' District Council and the Local Unions, and such other amounts as the Principal may be required to pay to the Obligees, or to any of them, pursuant to the collective bargaining agreement between the Principal and the Laborers' District Council, then this obligation shall be void; otherwise the same shall remain in full force and effect.

If Surety is required to make payment to the Obligees pursuant to the bond, Surety shall have no claim or right of any sort against Obligees.

In the event that the aggregate amount due the Obligees shall exceed the amount of this bond, then the claims of the various Obligees shall be satisfied on a *pro rata* basis, proportionate to the amount of each Obligee's claim. Any disputes as to the proper distribution in such circumstances, and any disputes regarding the Principal's obligations to the Obligees, shall be resolved in accord with the dispute resolution mechanisms of the collective bargaining agreement between the Principal and the Laborers' District Council.

If the Surety fails without good reason to make payment on a valid claim within 30 days of being presented with such claim and reasonable support for it, or fails without good reason to make payment within such additional time as may be found proper, Surety will be liable to Obligees for interest at the then applicable rate on all payments and if the Obligees file suit to obtain payment from Surety and prevail in such a suit, Surety shall reimburse the Obligees for all reasonable legal fees and costs. If Surety is required to pay interest or to reimburse legal fees and costs pursuant to this provision, such payment will not be treated as reducing the amount of Surety's obligation on this bond.

This Bond may be canceled by the Surety 120 days after receipt by the Obligees of the Surety's written notice of cancellation by registered mail, and the requirement for service on the Obligees shall be deemed satisfied if such service is made on both the Business Manager of the Laborers' District Council and the Business Manager of Laborers' Local 225.
